REQUEST UNDER MPEP 711.03 FOR RECONSIDERATION
OF HOLDING OF ABANDONMENT

Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

This communication is responsive to a Notice of Abandonment mailed May 3, 2005 by Examiner Dixomara Vargas. Examiner Vargas stated that no reply had been received in response to an Office Action dated September 29, 2004. Applicants discussed this abandonment with Examiner Vargas, who in a phone conversation of June 2, 2005, indicated that she would withdraw the abandonment and forward the application to the proper technical code for processing the Request for Statutory Invention Registration (SIR) that had been filed. To date, the application has remained abandoned. As discussed below, Applicants fully responded to the Office Action within the statutory time period and are therefore entitled to have their request for a Statutory Invention Registration proceed. Accordingly, Applicants hereby request withdrawal of the holding of abandonment and request favorable action by the Examiner at his earliest convenience.

PATENT APPLICATION

Docket No.: N.C. 83,274

STATEMENT OF FACTS

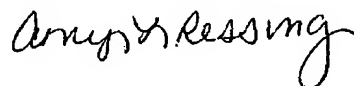

On September 29, 2004 the U.S. Patent and Trademark Office mailed an Office Action in connection with the above-identified application, with a shortened statutory period for response set to expire three months from the date of the Office Action. Accordingly, the Response was due December 29, 2004. On March 29, 2005, with a petition for an extension of time of three months, Applicants filed a Request for a Statutory Invention Registration, as evidenced by the attached copies of (1) the Request for a Statutory Invention Registration and (2) the Certificate of Facsimile Transmission. On May 3, 2005, Examiner Vargas abandoned the above-identified application for Applicants' failure to respond to the Office Action of September 29, 2005.

REASONS FOR GRANTING THE RELIEF REQUESTED

Having complied with all the statutory and regulatory requirements, including timely filing of a Request for a Statutory Invention Registration, Applicants are entitled to have the Request for a SIR proceed. It is therefore respectfully requested that the holding of abandonment be withdrawn.

No charges are believed due for this action, as the abandonment was apparently based on an error at the USPTO. However, kindly charge any additional fees due, or credit overpayment of fees, to Deposit Account No. 50-0281.

Respectfully submitted,

Amy L. Rassing
